The Miletus Bibliography

1. März 2026

1 Vorwort / Preface

Die Milet-Bibliographie wurde von Sabine Huy im Rahmen ihrer Tätigkeit für das Miletarchiv begründet und bis 2022 in dieser Form als PDF-Version zum Download angeboten. Unter der Initiative von Lisa Steinmann und der Mitarbeit von Caitlin Bamford und Silas Munnecke wurde die Liste zum Jahr 2022 in eine Datenbankversion überführt und entsprechend weitergepflegt. Seit 2024 wird die Bibliographie von Fabian Sliwka betreut.

Die Bearbeitung und Verwaltung der Bibliographie erfolgt in einer öffentlich zugänglichen Zotero-Gruppenbibliothek. Dieses Dokument ist ein automatisierter Export der Bibliographie, die in durchsuchbarer Form auch auf der Homepage der Miletgrabung zur Verfügung steht. Dort gibt es ebenfalls die Möglichkeit, die Bibliographie in diversen Formaten für den Import in Literaturverwaltungsprogramme herunterzuladen.

The Miletus Bibliography has been offered as a PDF version for download for many years by Sabine Huy in the course of her work at the Miletus Archive. Under the initiative of Lisa Steinmann and the collaboration of Caitlin Bamford and Silas Munnecke, the list was transferred to a database in 2022 and continued to be maintained. Since 2024, the bibliography has been maintained by Fabian Sliwka.

The bibliography is edited and managed in a publicly accessible Zotero group library. This document is an automatically generated export of the bibliography, which is also available in searchable form on the homepage of the Miletus Excavation. There is also an option there to download the bibliography in various formats for import into literature management software.
